FOREIGN OFFICE NOTICE.

The President of the Provisional Government this day received His Excellency Albert S. Willis, United States Envoy Extraordinary and Minister Plenipotentiary and Mr. Ellis Mills, United States Consul General.

Mr. Mills was presented by Mr. Geo. C. Potter, Secretary of the Foreign Office, Mr. Mills then presented His Excellency Albert S. Willis, who addressed to the President the following words:

MR. PRESIDENT.

Mr. Blount, the late Envoy Extraordinary and Minister Plenipotentiary of the United States to your Government, having resigned his office when absent from his post, I have the honor now to present his letter of recall, and to express for him his sincere regret that he is unable in person to make known his continued good wishes in behalf of your people, and his grateful appreciation of the many courtesies, both personal and official, of which, while here, he was the honored recipient.

I desire at the same time to place in your hands the letter accrediting me as his successor. In doing this I am directed by the President to give renewed assurances of the friendship, interest and hearty good will which our Government entertains for you and for the people of this island realm.

Aside from our geographical proximity and the consequent preponderating commercial interests which center here, the present advanced civilization and Christianization of your people, together with your enlightened codes of law, stand to-day beneficent monuments of American zeal, courage and intelligence.

It is not surprising, therefore, that the United States were the first to recognize the independence of the Hawaiian Islands and to welcome them into the great family of free, equal and sovereign nations, nor is it surprising that this historic tie has been strengthened from year to year, by important mutual reciprocities and agreements, alike honorable and advantageous to both governments.

Invoking that spirit of peace, friendship and hospitality which has ever been the shield and sword of this country, I now, upon behalf of the United States of America, tender to your people the right hand of good will, which I trust may be as lasting as I know it to be sincere, expressing the hope that every year will promote and perpetuate that good will, to the honor, happiness and prosperity of both governments.

The President replied to Mr. Willis as follows:

MR. MINISTER:

It is with much satisfaction that I receive the credentials you bring from His Excellency the President of the United States of America, accrediting you as Envoy Extraordinary and Minister Plenipotentiary to represent that country at the capital of the Hawaiian Islands.

Your assurances of the continued friendship of your government for me and the Hawaiian people add to the gratification which a long experience of the generous consideration of the United States for this country has fostered.

Permit me to assure you that we heartily reciprocate the expression of interest and good will which you, on behalf of the American people, have conveyed to us.

Partly from proximity, partly from the leading influence of American citizens in the work of inaugurating Christian civilization and industrial enterprise in these islands, but still more from the repeated acts of friendly assistance which we have received from your government during the past half century, we have become accustomed to regard the United States as a friend and ally and have learned to look first to her for help in our emergencies.

I regret the inability of your predecessor, Mr. Blount, to personally present his letter of recall and to afford me the opportunity to express to him my appreciation of the agreeable official and social relations that existed between him and our government and people during his residence here.

We congratulate ourselves, Mr. Minister, that the Government of the United States is to be represented here by one who, we are assured, is familiar with the questions arising from the relations between the two governments, and with whom we look for the maintenance of pleasant official intercourse.

The following is a copy of the autograph letter from the President of the United States, informing the President of the Provisional Government of the Hawaiian Islands of the recall of Mr. Blount:

GROVER CLEVELAND,
President of the United States of America,
To His Excellency,

SANFORD B. DOLE,
President of the Provisional Government of the Hawaiian Islands,
GREAT AND GOOD FRIEND: Mr. James H. Blount, who has for some time past resided near the government of Your Excellency in the character of Envoy Extraordinary and Minister Plenipotentiary of the United States of America, having for personal reasons resigned his office while on leave of absence in the United States, and being thus unable to present his letters of recall in person, I have entrusted to his successor the duty of placing them in the hands of Your Excellency.

I am pleased to believe that Mr. Blount during his mission, devoted all his efforts to strengthening the good understanding and the friendly relations which have happily so long existed between the two countries, and I entertain the hope that, while fulfilling satisfactorily the trust imposed upon him, he succeeded in gaining Your Excellency's esteem and good-will.

Written at Washington this 27th day of September, in the year 1893.
Your Good Friend,
GROVER CLEVELAND,

By the President:
ALVEY A. ADEE,
Acting Secretary of State.

The following is a copy of the autograph letter from the President of the United States to the President of the Provisional Government of the Hawaiian Islands accrediting Mr. A. S. Willis as Envoy Extraordinary and Minister Plenipotentiary:

GROVER CLEVELAND,
President of the United States of America,
To His Excellency,

SANFORD B. DOLE,
President of the Provisional Government of the Hawaiian Islands,
GREAT AND GOOD FRIEND: I have made choice of Albert S. Willis, one of our distinguished citizens, to reside near the Government of Your Excellency in the quality of Envoy Extraordinary and Minister Plenipotentiary of the United States of America.

He is well informed of the relative interests of the two countries and of our sincere desire to cultivate to the fullest extent the friendship which has so long subsisted between us. My knowledge of his high character and ability gives me entire confidence that he will constantly endeavor to advance the interest and prosperity of both Governments and so render himself acceptable to Your Excellency.

I therefore request Your Excellency to receive him favorably and to give full credence to what he shall say on the part of the United States and to the assurances which I have charged him to convey to you of the best wishes of this Government for the prosperity of the Hawaiian Islands.

May God have Your Excellency in His wise keeping.

Written at Washington this 27th day of September, in the year 1893.

Your good friend,
GROVER CLEVELAND,
By the President,
ALVEY A. ADEE,
Acting Secretary of State.

A well known Engineer in charge of a large Sugar Mill writes us this week: "We use no other but VACUUM OILS, they are the best."

Genuine Mixed Paints. made of pure colors and pure oils. The MAKERS name on each can a guarantee of quality. During the past year a large quantity of this paint has been used with the most satisfactory results.

Fence Wire. Galvanized or plain Black annealed—Four Point Galvanized Barbed Wire. So much complaint has been made of the quality of fence wire brought into this market, that after tests covering the past five years, we have selected a make of fence wire peculiarly adapted to this climate, and which has proved superior to any other. Users of this make of wire endorse its value.

Water Filters. Do not try experiments with articles made "to sell" and then buy a "Slack & Brownlow" after paying for your experience, as so many have done. Slack & Brownlow's Water Filters are made on scientific principles and are known and used everywhere. They are accessible in all parts and can be cleaned by the user.

Wampole's

Tasteless

Preparation

OF

Cod Liver Oil.

It aims to cure Consumption, Hits the Mark, too, and it most effectually breaks up Colds, Coughs, Hoarseness and all Throat and Lung troubles that cause this disease.

It is natural logic to conclude that if WAMPOLE'S PREPARATION OF COD LIVER OIL has power to prevent Consumption, it surely is able to cure these lesser emergencies.

This vigor-making, fat producing preparation is Absolutely Tasteless, in so far as Cod Liver Oil is concerned. All you notice is a delightful flavor of Wild Cherry and Anise.

But the purest Norwegian Cod Liver Oil is there all the same. It is a great blood enricher. Best of all it is a natural food that in its stomachic effects, actually assists its own assimilation.

In Pulmonary or Bronchial troubles it is unequalled. No one doubts the value of Cod Liver Oil, but not every one is able to take it.

WAMPOLE'S PREPARATION removes the nauseous objection and actually makes Cod Liver Oil palatable.
